

Welcome to Fast Commerce Consultancy

By Ahmad Khan

History

Founded in 2018, we are an independent E-Commerce and Digital Marketing Consultancy. We have a track record of success on a global scale having worked with businesses based in UK, USA, Japan, Australia and Canada for Brands such as Mouldz, Nestle, Kong, Brita, Blue Diamond, Ridged Monkey, Royal Canin, Ox Tools, Ultra Pro, Zesty Paws, Crayola, Rid, Loreal, Paris etc.

We work together with our clients to guarantee that their Amazon business generates the highest profit and value. We also assist brands in developing an Amazon strategy and setting targets from the beginning. Our clients come from a wide range of industries, and we have a lot of experience starting and growing successful Amazon businesses.

Our team of Amazon sales experts is ready to assist you in maximizing your brand's success on Amazon marketplaces around the world.

Introduction

As a totally independent ecommerce consultancy, we work with entrepreneurs, startups, and existing businesses to plan, build, manage, and execute ecommerce solutions and digital marketing strategies.

With 3 years of experience, we can provide you with unique insight and specialist knowledge that can help you solve challenges, decrease risk, maximize success, and facilitate growth.

We are in Collaborate with TEVTA Punjab as Amazon VA Trainer (Prime Minister Pakistan E-Rozgar Scheme) and already trained 3 badges

We are also a Part of Extreme Commerce Boot Camp (Paid group Member) since 2019
